Marvin Courtney Memorial Scholarship Application Sponsored by the Education Foundation Inc. of Caldwell County

Robert Marvin Courtney was born in 1906 in the Hartland Community. He graduated from Lenoir High School and continued his education at Duke University. Mr. Courtney was a member of the Civilian Conservation Corps (CCC), which is credited with renewing the nation's decimated forests by planting an estimated three billion trees from 1933 to 1942. Mr. Courtney left the CCC to join the U.S. and served during World War II as a communications specialist. After his tour of duty, Mr. Courtney worked with the US Forest Service for 50 years. Even in retirement, his love of horticulture continued as he began his own nursery. Mr. Courtney will forever be remembered for his generous scholarship offered to Caldwell County students who dream to work in the field of horticulture.

The Robert Marvin Courtney Scholarship is specifically for students interested in the field of horticulture. Funding amounts are dependent on interest from the Robert Marvin Courtney Endowment. Students who receive the Marvin Courtney Scholarship are required through legal contract to repay 25% of the sums advanced within (4) four years of graduation. Scholarship recipient must also agree that in the event he or she drops out of school for any reason, the recipient will repay all funding. The Education Foundation has the sole discretion in choosing the recipient from those applying but shall give due regard to GPA, character, integrity and need.
