Presents

The Austin Roberts Memorial Scholarship

To honor the life of Austin Roberts, Austin's family established a memorial scholarship in his name for seniors and members of the NROTC program at West Caldwell High School wishing to attend an institute of higher learning. This scholarship will be awarded to a student who does not qualify for traditional academic or athletic scholarships. Austin's family sees the benefit of promoting the future plans of students who may have struggled academically but enrich the community with their generous spirit as Austin did throughout his life.

Austin Roberts graduated from West Caldwell High School in 2015. While at West, Austin was an active member of the NROTC Program for three years. Having a strong work ethic, Austin also worked at MDI Inc. throughout his high school years and after graduating.

Austin enjoyed all things that involved the outdoors. He loved to fish most of all and spent most of his free time on a creek bank with a rod and reel in his hand. Austin was the kid that always had a smile on his face and wanted to make everyone around him have that same smile. In class, he was the class clown; at work, he was the jokester, and at home he was the rambunctious one. He had a great sense of humor and was determined to make everyone around him laugh.

In July of 2016, Austin decided to serve his country and joined the United States Marine Corps. On August 10, 2016, Austin traveled to Charlotte, NC to his official swearing in. Austin was excited to become part of a brotherhood that he could feel proud of for the rest of his life.
