## Fall 2022 Spring 2023 Community Education Grant Application Form

The Education Foundation Inc. of Caldwell County will receive requests for funds from any Caldwell County citizen, teacher, club, or agency for projects that will enhance the quality of public education, increase public confidence in our schools and/or strengthen the educational experiences of the children in Caldwell County.

Projects described must adhere to all policies and standards of the Caldwell County Board of Education. A brief oral presentation of the project to the selection committee may also be required.

Requests for funds must be submitted using this form, this form reproduced (only inside grant information is required), or one printed off the Education Foundation website located under the community tab on the Caldwell County Schools website. Applications must be received with all required signatures on or before Wednesday, October 5, 2022 for the fall awards and Friday, February 3, 2023 for the spring awards. The maximum amount available per grant is two thousand dollars (\$2,000.00). Applicants may submit **one** application for consideration each semester.

The funds granted must be spent during the school year for which they are awarded unless other arrangements are specified. November evaluation forms must be returned to the Foundation office by May 1 of the same school year. Evaluation forms for the March grants must be returned to the Foundation office by May 1 of the following school year.

The grant narrative may be extended beyond the provided application space; however, only one additional page may be used.
